

REMARKS

Claims 1 is rejected. Claim 1-13 are pending.

Applicant wishes to thank the examiner for indicating that claims 2-13 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In response, Claim 1 has been amended to incorporate the limitation of Claim 2. Claims 3, 4, 12 and 13 have been amended to depend on now allowable claim 1. Further, inconsistent spacing found in the specification and in the claims has been corrected.

In view of the above, withdrawal of the objection and rejections are respectfully requested to be withdrawn, and an early action on the merits of the Claims is courteously solicited.

Respectfully submitted,
